

Scooter bole toh **ACTIVA** 125CC & 110CC

Meet the smarter

ACTIVA 125 | **ACTIVA 110**

with a TFT meter and Honda RoadSync App.
Stay connected to navigation, calls,
messages, music, and weather.
Enjoy real-time updates, smart features,
and a stylish design for a seamless ride.

SMART TECHNOLOGY

The Activa 125 and Activa 110 are packed with cutting-edge smart features and the latest technology to enhance your riding experience.

Smart Key

With **H-Smart** Technology

The Honda Smart Key, powered by H-Smart technology enhances your Activa experience from the moment you unlock it, offering a range of features designed for ultimate convenience.

Smart FIND

Searching for your ride in a crowded parking or low-light conditions can be frustrating and the answer back feature solves it.

Smart START

Start your Activa 125 or Activa 110 without even taking the key out of your pocket.

Smart UNLOCK

No need to fumble for your key- Honda Smart Key makes unlocking effortless.

Smart SAFE

Your Activa stays secure, even when you're not around.

*Smart Key is available in Activa 110 & Activa 125's H-Smart variants only.

TFT SCREEN DISPLAY

Get a fully-loaded meter featuring superb day and night-time visibility with its 10.67cm TFT display that provides multi-angle visibility, thus ensuring high image quality. Optimize your screen viewing experience with three adjustable brightness levels.

*The TFT Screen shown is of the Activa 125.

Honda RoadSync

The Honda RoadSync App connects your smartphone to your Activa via Bluetooth, enabling you to access essential functions such as navigation, calls, texts, and music without interrupting your ride.

Manage messages
via voice commands

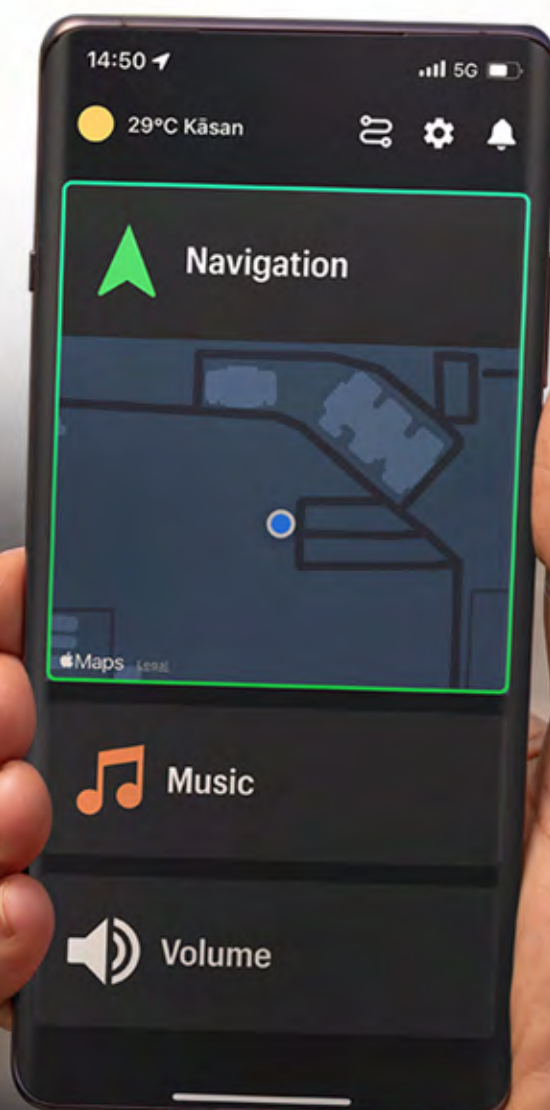

Enjoy music control
at your fingertips

Manage and make calls
directly from your Activa

Use turn-by-turn navigation
to reach anywhere

Get real-time weather
updates for any location

STEPS TO CONNECT

**Honda
RoadSync**

Download and Set Up

- Install the Honda RoadSync app from the app store.
- Grant the required permissions.

Step 1

Step 2

Connect Your Device

- Provide access to the app.
- Choose your model & set up Bluetooth with handle switch.

Pair and Sign In

- Pair the device with the app.
- Login using the account of your preference.

Step 3

FUEL SAVING FEATURES

Idling Stop System

Activa 110's Idling Stop System optimizes fuel efficiency by intelligently adapting to your riding patterns.

Advanced Idling Stop System

Engine automatically comes to a stop whenever the Activa 125 is under 21kmph, saving extra fuel in heavy traffic.

EFFICIENCY, FINE TUNED

The Activa features a TFT meter to monitor fuel consumption, efficiency, and remaining distance during your ride.

Live Mileage Indicator

It displays live fuel efficiency throughout the ride.

Average Mileage

It displays overall fuel consumption during the trip.

Distance To Empty

It displays the distance you can travel with remaining fuel in the tank.

Eco-Indicator

Tracks real-time driving conditions to maintain fuel efficiency on a real-time basis.

PGM-FI FUEL INJECTION

Intelligent PGM-FI system for optimum air-fuel ratio that provides superior performance, fuel savings, and reliable starts in any weather and lowered emissions.

Powerful 125cc and 110cc Engines

Top-tier power and acceleration to make rides exciting.

Silent Start with ACG

Experience smooth and silent starts with reduced gear noise and maintenance.

Experience advanced technology that enhances combustion, performance and fuel efficiency like never before.

SMART DESIGN, STYLISH PRESENCE.

Make a style statement with your
Activa 125 & 110's designs that blend everyday
convenience with standout styling.

Premium Chrome Stroke on Side Panel

Elegantly carved Activa 125 and Activa 110 logos on the side panels with chrome detailings add a premium touch.

Seat and Inner Panel

Sophisticated, premium feel, and enhanced appeal with an elegant premium brown seat (Activa 125) or black seat (Activa 110).

LED Headlamp and Signature LED Position Lamp

The elegant LED headlamp with a signature position lamp elevates the Activa 125 and Activa 110's style to new heights.

Striking Tail Lamp

Grab attention of every viewer and leave a lasting impression with a stylish tail lamp design.

Multi-Function Switch Unit

An iconic blue back-lit knob with a compact switch that combines safety, style, and effortless convenience.

Front and Rear Alloy Wheels

Enhance the appearance of your Activa with alloy wheels, providing improved stability and durability.

RELIABILITY & COMFORT

With Honda's ever-trusted legacy, the Activa ensures every ride is smooth, dependable, and comfortable.

Open Glove Box

A spacious open glove box provides extra storage for essentials.

15W USB-C Port

Charge your smartphone, earphones, power bank on-the-go, with all device compatibility.

Double Lid External Fuel Fill

Refuel while seated, thanks to the convenience of double-lid fuel access.

SAFETY

Supported by Honda's strong legacy, the Acura ensures that every ride is smooth, reliable, and comfortable.

****Side Stand Engine Cut-Off***

When the side stand is open the side stand engine Cut-off prevents the engine from starting.

Telescopic Front Suspension

Every ride made extra comfortable with telescopic front suspension.

Fuel-Efficient Tubeless Tyres

Enhanced grip, better mileage, and safer rides with Honda's advanced technology.

*Side stand shown in the image is not a part of standard fitment in Activa 110cc.
