SLEEK SMART SAFE

Stability of a bike, Utility of a scooter.

n - First brings together the best of both worlds — the confident stability of larger 16-inch wheels and the everyday practicality of a scooter.

Every detail is crafted for confidence: Sleek design, smart technology, and safety features you can rely on. **n - First** is designed to move with your rhythm — steady on the road, effortless in attitude, and ready to change the vibe wherever they go.
